

How to Use Our Website

Welcome to our website. In this page we have mentioned basic guidelines for using our website.

First step is to login to your account using our home page login section.

Please insert your username and password and then click on the **Log-In** button.

***Please Note:** Currently we have mentioned demo user account steps.

Select variables from tree view

After login you will get the following screen. You will get variables in tree view on the left side of the screen and nodes as per requirement and select the variables. Also You will get period range section on right side of the screen (in the demo version, you will not be able to change the date selection). Now Select the nodes and click on **"Submit"** button.

The screenshot shows the EPW Research Foundation website interface. On the left, a 'Variables Tree View' is displayed under the 'Financial Markets' section. A blue box highlights the 'State Government' node, with a callout box listing selected variables: 'Borrowing Method', 'Amount (Rs. Crore)', 'Indicative YTM/coupon rate (In Per cent)', and 'Name of the State'. A red box on the right contains the 'Period Range' selection options, including 'Select Data Type' (set to 'Data Availability'), radio buttons for 'Daily', 'Weekly', 'Fortnightly', and 'Monthly', and a 'Select Date Range' section with 'From' and 'To' date pickers. A 'Submit' button is at the bottom of this section. A red arrow points from the 'Period Range' section back to the tree view.

This tree view consists data of rate, yield, turnover of central and state government securities, treasury bills, y structure, money market instruments (repo, call market, commercial papers, and certificate of deposits) and f turnover sections.

***Please Note:** You can select up to 10 variables.

Data Availability Link: There is one more link in "Period Range" section, written as a "Data Availability Link", following window will appear. This window will show the list of Time Series data available in this website.

The screenshot shows a browser window displaying the 'List of Data' window. The window title is 'http://www.epwfits.in/CategoryDetails.aspx - Windows Internet Explorer'. The main content is a table with the following data:

Category Name	Daily Date Range	Weekly Date Range	Fortnightly Date Range	Monthly Date Range
